5	Research & Innovation		✓		
6	Relevance to the work environment		✓		

Please **ENCIRCLE** the Recommended Final Grade: Excellent / **Good** / Fair / Poor

Remarks of the Supervisor: The dissertation was well written. I would have wished for more time for investigation of the subject, because it is certainly relevant for our applications. It is a pity that we could not use data from live applications due to data privacy contracts with customers. Good to see some first checks on data took place.
